

CSV Products and New Businesses by Customer Industry and Business Segment

	General Industrial Applications	Vehicles	Resources / Materials	Food / Medical Care	Infrastructure / Environment	Consumer / Entertainment Facilities
Chain Operations	 Machine part manufacturing equipment RS roller chains, zip chain actuators, gear reducers, other	 Automotive power sliding doors Cable carriers	 Offshore oilfield platforms Cable carriers	 Sorting machines for apple processing plants Small-size conveyor chains	 Passenger boarding bridges for airports Power cylinders, cable carriers, other	 Claw crane arcade games Cable carriers
Motion Control Operations	 Lines manufacturing medical rubber gloves Large-size conveyor chains	 Automobile assembly plants Four-axis Zip Chain Lifter	 Conveyor equipment for coal mines Mining chains	 Beverage plants Plastic top chains	 Watertight doors for subways and disaster prevention Zip chain units	 Conveyors for conveyor belt sushi restaurants Plastic top chains
	 Machine tools ATC chains, Power-Lock	 Robots Cable carriers	 Nursing care vehicles Gear reducers, chains, couplings, cable carriers	 Iron ore unloaders Unloader chains	 CT (computed tomography) scanners Power cylinders, gear reducers, other	 Rigid wing sail wind propulsion equipment Pin Gear Drive Units
Materials Handling Operations	 Transporting machine tool swarf Chip conveyors	 Part conveyor equipment for vehicle service plants Autran Vanguard	 Coil stockyards Coil Robo	 Automatic handling system for vegetable factories Autran Vanguard	 Biomass power plants Bucket elevators, flow conveyors	 Mail-order shopping distribution systems QuickSort
	 Press plants Scrap conveyors	 Vehicle painting lines New traverser systems	 Cement plants Bucket elevators	 Regenerative medicine, etc. LaboStocker	 Desulfurization and denitrification devices (steel plants) Bucket elevators	 Bond document management systems Security Stocker
				 Equipment for automated PCR testing	 Newspaper printing plants Paper-feeding AGV	 Shipping system using small AGVs
Mobility Operations	 Timing chain systems for automobile engines	 Power Drive Chains for four-wheel drive units	 One-way clutches for vehicles	 Vegetable factories Automatic seedling transplanter unit	 DX solutions for manufacturing FabriKonect	 V2X bi-directional EV charging systems eLINK
