

# CSV Products and New Businesses by Customer Industry and Business Segment

	General Industrial Applications	Vehicles	Resources / Materials	Food / Medical Care	Infrastructure / Environment	Consumer / Entertainment Facilities
Power Transmission	 <p>Machine part manufacturing equipment RS roller chains, zip chain actuators, gear reducers, other</p>  <p>Lines manufacturing medical rubber gloves Large-size conveyor chains</p>  <p>Machine tools ATC chains, Power-Lock</p>  <p>Robots Cable carriers</p>	 <p>Automotive power sliding doors Cable carriers</p>  <p>Automobile assembly plants Four-axis Zip Chain Lifter</p>  <p>Nursing care vehicles Gear reducers, chains, couplings, cable carriers</p>	 <p>Offshore oilfield platforms Cable carriers</p>  <p>Conveyor equipment for coal mines Mining chains</p>  <p>Iron ore unloaders Unloader chains</p>	 <p>Sorting machines for apple processing plants Small-size conveyor chains</p>  <p>Beverage plants Plastic top chains</p>  <p>CT (computed tomography) scanners Power cylinders, gear reducers, other</p>	 <p>Passenger boarding bridges for airports Power cylinders, cable carriers, other</p>  <p>Watertight doors for subways and disaster prevention Zip chain units</p>  <p>Rigid wing sail wind propulsion equipment Pin Gear Drive Units</p>	 <p>Claw crane arcade games Cable carriers</p>  <p>Conveyors for conveyor belt sushi restaurants Plastic top chains</p>  <p>Movable barriers for train station platforms Brushless motors, timing belts, other</p>  <p>Stage elevator equipment Zip Chain Lifter</p>  <p>Devices for opening and closing stadium roofs Steel cable carrier system</p>  <p>Escalators Step chains</p>
Materials Handling	 <p>Transporting machine tool swarf Chip conveyors</p>  <p>Press plants Scrap conveyors</p>	 <p>Part conveyor equipment for vehicle service plants Autran Vanguard</p>  <p>Vehicle painting lines New traverser systems</p>	 <p>Coil stockyards Coil Robo</p>  <p>Cement plants Bucket elevators</p>	 <p>Automatic handling system for vegetable factories Autran Vanguard</p>  <p>Regenerative medicine, etc. LaboStocker</p>  <p>PCR testing Equipment for automated PCR testing</p>	 <p>Biomass power plants Bucket elevators, flow conveyors</p>  <p>Desulfurization and denitrification devices (steel plants) Bucket elevators</p>	 <p>Mail-order shopping distribution systems QuickSort</p>  <p>Newspaper printing plants Paper-feeding AGV</p>  <p>Bond document management systems Security Stocker</p>  <p>Mail-order shopping distribution systems Shipping system using small AGVs</p>
Mobility	 <p>Timing chain systems for automobile engines</p>  <p>Power Drive Chains for four-wheel drive units</p>  <p>One-way clutches for vehicles</p>  <p>EneDrive Chains for powertrains (electric vehicles/hybrid electric vehicles)</p>			 <p>Vegetable factories Automatic seeding transplanter unit</p>	 <p>Engine Drone (under development)</p>	 <p>V2X bi-directional EV charging systems eLINK</p>
